

*Life's too short for the wrong career.*

## VALUES CLARIFICATION

*“When you walk with purpose, you collide with destiny.” - Bertice Berry*

**INSTRUCTIONS:** Self-reflection is the foundation of success—but sometimes other people in our lives notice things about us we don't. This activity helps you identify the values, professional interests, and strengths that motivate you.

1. Review the values below & mark the **five** that are most important to you.
2. Send a BLANK copy of this exercise to three additional people and ask them to select the five values they believe are most important to you.  
*If possible, request feedback from one family member, one friend, and one colleague.*
3. Bring the completed worksheets to this week's Friday Huddle. No need to share these with anyone, they are for *you*!
